

*Welcome SHAWN FRICK CEO/President!*

All,

We have had a lot of news to share with you lately! This week we would like to announce a change in leadership. As you may know, Ken Page, CEO/President decided to retire in September. Centerprise was sad to see him go and would like to thank him for his leadership during a time of rapid growth! Ken has moved to Colorado to enjoy retirement and his family!

While we are sad to see Ken go, Centerprise is excited to announce that **Shawn Frick**, will be the new President and CEO of Centerprise, Inc. Shawn brings a wealth of experience in meeting the needs of the evolving healthcare marketplace and Community Health Center environment. Shawn has spent the last 7 years as the Vice President of the National Association of Community Health Centers (NACHC). Previous to his role at NACHC, he was the President of the Ohio Association of Health Centers. Shawn has over 20 years advocacy/government relations and trade association experience in a health care environment. He brings
